

Best care in hospital: Gothaer MediGroup S U.

With Gothaer MediGroup S U you ensure the best health care in case of an inpatient stay as the **result of an accident**:

The most important performance features

Reimbursement of the recoverable costs of a stationary hospital treatment:

Inpatient treatment

- **100 %** for the separately invoiced treatment by a private physician (also beyond the max. rates of the GOÄ)
- **100 %** for separately invoiced accommodation and meals in the double bedroom
- **100 %** of the statutory co-payment for inpatient treatment
- If you waive the accommodation in the single room and/or the treatment by a private physician, you can receive a daily allowance as a substitute.

Outpatient surgery

100 % of the costs for outpatient surgery , if this is a substitution for an inpatient stay – including the preliminary and final examinations

Rooming In

100 % of the costs for accommodation and meals of an adult chaperon, in case of an inpatient stay of a child who is insured as per MediGroup S U. The child must be under age 10. Service for a maximum of 4 weeks/year.

The contract is based on the general conditions of insurance, wherein you can find the detailed scope of the insurance.
